

SHOOF FACT SHEET

TRIGGERED POURER

Shoof Codes
30ml 213 899

MODEL	DOSAGE	INCREMENTS
30ml	10-30ml	2.5ml

FEATURES	BENEFITS
• Cost effective	A great option for the hobby or small farmer when needing a topical pour-on applicator
• Versatile attachment	Designed to fit onto 500ml, 1L or 2.5L bottles with a 38mm neck
• Adjustable dosage	Allows for little or no wastage and creates an exact measurement of 10-30ml depending requirements
• Trigger operated	Simple trigger action makes dispensing dose easy to administer

PRODUCT INFORMATION

A unique addition to the ISL Animal Health range. This applicator works by attaching it to a bottle, turning the dose adjuster to the required dose, inverting the bottle and then squeezing the trigger. Simple and Effective! There is also no need to prime the applicator like a conventional one which means no product wastage. A great product for the small farm user as it is designed for bottles that are 2.5 L or smaller. It is also customisable for marketing purposes.
