

SHOOF FACT SHEET

THE MAGNUM POUR-ON DRENCHER

Shoof Code
70ml 213 900

MODEL	DOSAGE	INCREMENTS
70ml	10-70ml	2.5ml

FEATURES	BENEFITS
• New SoftLock™ valve	This technology gives the double benefit of an incredibly easy to squeeze applicator and a fast refill time
• Dial-A-Dose selector	Provides greater accuracy in the dosage amount to be administered
• Ergonomic handle design	Gives greater control when gripping while also being more comfortable to use for long periods
• Large 9.5mm hose spigot	The larger opening allows for faster refilling time
• Optional pour-on nozzle variations	Alternate pour-on nozzle types means every situation can be accommodated
• An Offset Barrel Outlet™	This has been designed to improve priming
• No product 'after spurt'	Which means very little wastage

PRODUCT INFORMATION

Other features which make this gun such an appealing product are an angled shower nozzle for convenient application, an ergonomic design for comfortable handling and customisation options to help with marketability.
