## FARMHAND 30KG SPREADER

Shoof Code 214 018

FEATURES	BENEFITS
• Pneumatic tyres	For ease of maneuverability
• Removable cover	Provides protection from weather
• Internal screen	Helps prevent blockages
• Robust flow controller	For ease of use and increased accuracy of application
• 30kg capacity	Allows for greater coverage area before refilling

### PRODUCT INFORMATION

The Farmhand 30kg Spreader is ideal for the farm, yard or lifestyle block. This spreader is a great value, robust addition to any gardener's shed. The pneumatic tyres make it easy to push over a wide variety of terrain. Its robust construction will ensure it lasts the distance. The flow controller is sturdy and ensures accuracy in the rate you require to be dispensed. Some assembly is required. Basic home handyman tools are all that is needed.
