Here is a real quality creep bowl, all stainless steel. Push and turn bottom clip for any slotted flooring. Easy to empty and clean and will last forever. Can be used for feed or drink. Diameter 25cm o.a. x 4cm deep.

Creep Bowl Plastic

bowl only 201 643 \$59.95
waste-ring only 201 644 \$29.95
Big strong plastic creep bowl from Denmark. Push and turn bottom clip for slotted flooring. Use for dry or liquid food. Dimensions: 38cm diameter x 7cm depth o.a.

Pig Holder Wire Noose

205 020 \$29.95
Good for securing or tethering pigs for vet work. Put the wire noose around the nose or jaw. Use ring end to secure, and for removing noose. All stainless steel.

Pig Holder Short Handle

205 019 \$79.95
For easy handling of pigs at close quarters. This Pig Holder has a short rubberised handle to give good purchase and control. Quality tool from Stone Manufacturing Co, USA. Length 22cm excl wire loop.

Pig Holder Long Handle

205 018 \$39.95
For handling all pigs at a distance. 3/16" galvanised aircraft cable, in carbon steel, rust-proof tube and handle. Loop over nose or jaw to handle pigs. Handle length 67cm o.a.

Paste Stone

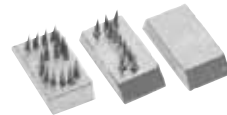

6kg 206 645 \$199.00
This ink is manufactured by Stone Mfg Co in USA. It is authorised by the USDA for use in federally inspected meat establishments. Packed in a 5-litre pail.

PIG STRIKER...

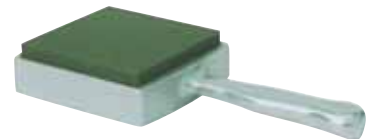

Stainless 5-space

205 096 \$139.00
Five place striker with bolt-type clamp. Simple and effective if you don't need to make frequent digit changes. All stainless steel. Plastic grip handle. Length 34cm o.a. Digits extra.

Stainless Digit 18mm

0-9 each (Specify) \$16.95
A-Z each (Specify) \$16.95
spacer 205 126 \$9.95
Our Stainless Pig Striker digits are top quality. The needles are stainless steel with fine but strong points, designed to take the ink properly into the carcass. The digits must be fitted the correct way round into the Striker with the long chamfer close to the handle. This keeps them secure and produces the correct tattoo. Blanks should be used to fill all the spaces in the Striker. Produces tattoo digit 18mm tall.

Ink Pad Cast Alloy

complete 205 084 \$89.95
repl't pad only 205 085 \$7.95
Solid cast alloy ink pad holder from Stone Mfg Inc., USA. Foam pad 12cm square.

PRICE REDUCED

Ink Pad Square

complete 205 087 ~~\$119.00~~ \$99.95
spare pad 205 088 ~~\$22.95~~ \$19.95
Our square ink pad is moulded from unbreakable neoprene, which also does not clank around in use. Good quality heavy duty sponge will last well. Pad dimensions 15cm x 3cm deep o.a. Spare rubbers available.

Paste Shoof

700gm 206 663 \$79.95
Long lasting high quality tattoo ink, in paste form. Ideal for use with pig striker ink pads and strikers. Contents 700gm in resealable plastic pot. Made in NZ.
