20mm 213 687 \$9.95

Standard-quality versions of our 15mm and 20mm 'fattener' water nipples. Fine-mesh domed filter. Three flow-rate settings.

New

Bracket Stainless

15mm 45° 207 152 \$7.95

20mm 45° 209 887 \$11.95

Good quality stainless steel 45° brackets to suit 15mm and 20mm water nipples. Mounting dimensions: 15mm bracket holes 55mm centres, 20mm bracket holes 60mm centres. Holes 8mm diameter.

Fattener Combination

15mm (1/2") 208 919 \$14.95

20mm (3/4") 208 920 \$17.95

Combination stainless and brass water nipples with hexagon nut. Heavy duty. Filter and flow rate adjuster incorporated.

Bracket Galvanised

15mm (1/2") 45° 208 921 \$8.95

20mm (3/4") 30° 208 311 \$10.95

Heavy duty galvanised cast iron angle brackets with strong mounting plate. Securing holes of 8mm diameter at 55mm (15mm) and 60mm (20mm) spacing. Angled as listed above (as degrees below horizontal, if mounted vertically).

WATER NIPPLE....

All these Water Nipples are highest quality Monoflo USA manufacture.

Small Piglet Monoflo

6mm 207 167 \$16.95

Our smallest nipple, with very light valve action, suitable for new-born piglets 1/4" (6mm) BSP fitting.

Piglet Monoflo

15mm 207 160 \$7.95

Machined in one piece with hexagon nut for easy servicing. Light action for piglets. Standard 15mm (1/2" BSP) fitting. Suit 15 to 50 psi. Fine mesh domed filter for best service. Adjustable flow rate.

Fattener Monoflo

15mm 207 155 \$9.95

20mm 209 886 \$14.95

Machined in one piece with hexagon nut for easy servicing. Ideal for fatteners or sows. Suit pressures from 15 to 50 psi. Fine mesh domed filter for best service. Adjustable flow rate. Parts available.

Optiflow Water Saver

15mm 210 416 \$19.95

Made by Monoflow Germany, the Optiflow water nipple replaces the previous Biscoe model. The Optiflo has all the water saving advantages of the Biscoe but is all-stainless steel manufacture. 15mm (1/2") BSP fitting.

Wet Feeder Monoflo

15mm 207 168 \$6.95

This nipple is made for slop, or wet/dry feeders, where the pig can operate to wet feed as required. It is not suitable for pigs to drink directly from. Use to upgrade your existing feeders. 15mm (1/2" BSP) fitting. Replacement parts as for Fattener nipple.

WATER BOWL....

PRICE REDUCED

Push Button

207 120 ~~\$89.95~~ only \$79.95

Big enough for sows. Small enough for weaners. Easy to clean. Simple to operate. Cheap as can be. Simple push-button operation is trouble free, and leaves the bowl clear for easy removal of straw or dirt. Integral flow control in valve. Cast iron bowl with brass valve. Bowl opening 12cm x 15cm.

ON SPECIAL

Suevia Weaner Plastic

207 145 ~~\$94.95~~ only \$49.95

Suitable for weaners up to 35kg. The plastic bowl stays cleaner than usual enamelled cast iron versions. Water flow is adjustable. Stainless steel valve. 15mm (1/2") fitting. Bowl opening 10cm x 16cm o.a.

Stainless Piglet

(up to 15kg) 207 136 \$44.95

This bowl is pressed out of one piece of stainless steel plate, then the stainless drop-pipe is welded in and the stainless nipple attached. Very simple and reliable, and a very good price. Nipple incorporates flow adjustment and filter. 1/2" (15mm) fitting. Bowl size is 9cm x 7cm.

Stainless Weaner

(up to 35kg) 207 137 \$74.95

All stainless steel bowl with stainless drop pipe and nipple. Very simple and reliable, and a very good price. Nipple incorporates flow adjustment and filter. 1/2" (15mm) fitting. Bowl opening is 18cm x 12cm.
