

POULTRY FEEDER...

Galvanised

5kg cpt	205 186	\$52.95
15kg cpt	205 185	\$69.95

Simple galvanised-iron suspension feeder, with plastic lid. The 5kg feeder tray is 32cm diameter and the height is 30cm o.a. The 15kg feeder tray is 38cm diameter and the height is 50cm o.a. The plastic lid is easily removed for filling. Feed flow is adjustable by means of an internal holding clip. The feeders can be suspended by use of the hole at the top of the centre spindle.

Galvanised

11kg cpt	205 184	\$109.00
----------	---------	----------

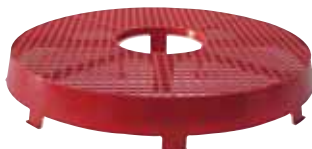

Built-in feed saver. Tapered sides to prevent bridging. All galvanised-iron to suit outdoors use either undercover or not. Suspension by hanger incorporated. For adult birds. Complete with lid. Made in New Zealand.

Crown Chicks 8-hole

1-kg	211 399	\$12.95
------	---------	---------

Ideal feeder from Little Giant, USA for small birds and chicks. The 8 rounded and ribbed openings reduce feed spillage to a minimum. An internal barrier prevents feed overflow. The 1-litre (1kg) container locks securely into the feeder base.

Dirt Stand

205 183	\$24.95
---------	---------

Ideal stand to use with our poultry feeders and drinkers, to keep birds clear of faeces and dirt. Reduce chances of disease, bacterial contamination and feed fermentation. Chicks feed and grow better in healthy conditions. Diameter 52cm, height 7cm. All plastic.

20kg cpt (C)	205 191	\$69.95 \$54.95

All-plastic chicken feeders. Flow rate adjustment with internal clip. Lids can be raised, or tilted for easy filling. Can be suspended by use of central shaft. Supplied complete.

ON SPECIAL

Plastic 10kg

small-chicks cpt	205 190	\$49.95 \$39.95
------------------	---------	----------------------------

Our all-plastic suspension feeder. Internal clip adjusts bell height for feed flow. Trough diameter 40cm. Height 32cm (with lid). Capacity 10kg. Lid supplied.

Crown Aluminium w Lid

10kg	211 543	\$79.95
15kg	211 542	\$89.95

These Crown Suspension feeders are quite large size, with a big 'coolie hat'. They both have a 43cm-diameter plastic base, 8cm deep, and 'hat' diameter of 47cm. Feed flow is easily adjusted internally by a wing-nut adjuster. These corrosion-free alloy feeders will last a lifetime.

Crown Suspension

1.5kg	205 193	\$6.95
3kg	205 195	\$17.95
5kg	205 196	\$24.95
8kg	205 197	\$37.95
15kg	205 194	\$52.95

The Crown Green & White suspension feeders have some valuable features. The suspension point incorporates a wing nut adjuster for feed flow. This gives a very wide range to produce optimum flow and trough levels for various feeds and seed sizes. Also the troughs have segregations to reduce losses from birds flicking feed out sideways. Heavy galvanising on all metal parts. (15kg feeder is all white).

Crown Suspension w Lid

3kg	211 941	\$24.95
5kg	211 942	\$29.95
8kg	211 943	\$44.95
15kg	211 944	\$59.95

The Crown Green & White suspension feeders have some valuable features. The suspension point incorporates a wing nut adjuster for feed flow. This gives a very wide range to produce optimum flow and trough levels for various feeds and seed sizes. Also the troughs have segregations to reduce losses from birds flicking feed out sideways. Heavy galvanising on all metal parts. (15kg is all white.) This range feature a removable lid. If used as a suspension feeder the lid is strung onto the wire first (using the hole provided).

Crown Suspension w Cover

3kg complete	212 861	\$28.95
5kg complete	212 445	\$32.95
8kg complete	212 446	\$49.95
15kg complete	212 863	\$64.95

This is the well-proven Crown Green & White suspension feeder with the addition of a large covering lid. The feeder can still be suspended as usual, if required, but does require disconnection and removal of the cover for refilling. The 3kg and 5kg covers are 32cm diameter, and the 8kg and 15kg covers are 46cm diameter, allowing feeders to be used outdoors without other shelter.
