9" wood handle 203 279 \$55.95

Quality round-tooth alloy comb with convenient wooden T handle. Long teeth for quick combing and good hair separation. Available in 6 inch (10cm) and 9 inch (15cm) models.

T-style

6" alum. handle 203 275 \$51.95
9" alum. handle 203 277 \$75.95

As above but with aluminium handle for a longer life, especially when left in a bucket of water! Round teeth, quality comb, 6" (10cm) and 9" (15cm) width.

T-style 9" Fluffer

203 278 \$59.95

Alternating short and long round-tooth design is ideal for use on thick-hair coats. The long teeth fluff hairs close to the body, with minimum pull and comb lines. The short teeth add body to the coat. Width 9" (23cm).

T-style 9" Skip-tooth

203 280 \$59.95

The skip-tooth design eases combing through the thickest coats, to produce a professional look. Also reduces hair loss. Adds fluff and pop. Quality US manufactured Franklin comb. Round-tooth. Width 9" (23cm).
