GROOMING DOC BRANNEN'S...

Livestock Shampoo

203 287 \$55.95

Doc Brannen's Livestock Shampoo is concentrated, so no need to over-do it. The specially formulated ingredients include powerful cleansers, but will not cause skin reactions, or leave any residue to cause dandruff or irritation. Two US quarts (2 litres).

Hair Set

203 286 \$25.95

Doc Brannen's Hair Set holds and holds without tacky feel of adhesives. Leaves hair shiny and natural looking. Contains no lacquer. Rinses out easily with *Doc Brannen's* Shampoo. Put flat hair up and up hair down as you want! One US quart (1-litre).

Show Lustre

sprayer cpt 203 291 \$29.95

Doc Brannen's Show Lustre gives your animal that final glow of good health. Show Lustre bonds itself to the hair and will not wipe off or flake. It repels dirt, dust and damp, and ensures your animal stays looking the way you finished grooming it. Apply just before show time. Sprayer complete contains one US quart (1 litre).

Purple Oil

2-litre 203 288 \$54.95

Purple oil is purple. It is used to give your animal a beautiful sheen. Apply with a hand sprayer or rag. After application, rub the hair down with a rag soaked in Purple Oil, and allow 12-24 hours for it to work into the skin. Then shampoo. Repeat for a few days for top results. Later, if touch-ups are needed, use some Final Mist. Two US quarts (2 litres). **NB:** Will lose colour if stored in sunlight.

Ezy Comb

203 284 \$24.95

Doc Brannen's Ezy Comb is slower setting and less stiffening than standard Grooming Adhesive. Use in areas needing minimum hold, where a natural look is still required. Can be combed. Big 14.5oz. (430ml) can.

Tail and Head

203 295 \$25.95

Doc Brannen's Tail and Head Adhesive is used where maximum hold is required, such as on tails and heads! Hair can be sprayed, and then formed by hand to the desired appearance, and the excess hair trimmed off. Can also be used to glue in hair as required to cover weak or bald spots. Big 14.5oz. (430ml) can.

Spray

clear 203 294 \$24.95
 black 203 293 \$24.95

Doc Brannen's grooming sprays "Black Magic" and "Clear Magic" are used to paint over bad spots. They tame unruly hair, but are not colouring agents. Can be combed while damp or immediately after setting, especially for top-line hold in dairy stock etc. 10oz. (295ml) of magic.

Adhesive

clear 203 283 \$24.95
 black 203 282 \$24.95

Doc Brannen's Grooming Adhesive is for taming hard-to-hold unmanageable hair on any part of the body. Dries quickly without being tacky. Use for: tail head feathers, poll top-knots, perfect set-ups on tail brush, boning-up legs. Big 14.5oz. (430ml) can.

Final Mist

203 285 \$22.95

Doc Brannen's Final Mist is the final step to ensure a winning entry! Use on cattle, horses, pigs, sheep or goats. Use just before going into the ring for show or sale. Brings out the best in your animal. Big 14.5oz. (430ml) aerosol can.
