Leather Round Strap

Heifer \$149.00		Cow \$149.00		Bull \$169.00	
black	211 011	black	203 452	black	203 450
brown	211 012	brown	203 453	brown	203 451

Attractive round nose-strap, cheek halter of sleek bridle leather with hand-rubbed finish. Hardware is nickel-plated and includes 50cm chain, with leather lead strap. Quality halters from USA. Halters are size-marked on strap: M=heifer, L=cow, XL=bull.

Leather Bull Heavy Duty

203 436 \$179.00

Our heavy duty leather halter is suitable for traditional European large bull breed. It has three adjustable straps: nose, throat and head. The straps are all double layer, stitched and riveted 25mm and 35mm leather. This is one strong halter. Made in Europe. Light grey leather with white stitching.

Nylon Cow Show

black 203 469 \$32.95
yellow 203 470 \$32.95

Nylon webbing with leather reinforcing on buckle area. Good adjustment range to allow fit to most cows and bulls. 40cm chin chain, but lead not included. **Colours:** black, and yellow with black lines (as shown).

Webbing Cow \$34.95

blue	203 493	red	203 495
green	203 494	white	203 496

Good sturdy imported leading or tethering halters made of 35mm wide x 3.6mm thick heavy duty nylon webbing. Leather reinforced in buckle area. Nickel-plated hardware. Good adjustment range. These halters have a substantial feel about them. The European style of attaching the lead above the nose is ideal for show leading. Halter can be reversed for tethering if required.

leading

tethering

Nylon Cow

Leading \$41.95		Tethering \$47.95	
black	203 464	black	203 471
blue	203 465	blue	203 472
red	203 468	red	203 475

Made in New Zealand by Taurus, these have been popular halters for many years. Double-layer stitched 25mm wide x 1.8mm thick nylon webbing, with metal buckle holes. Brass buckle and rings. The leading halter features a running chin strap to which the lead is attached. The tethering halter has a buckled chin strap with a tethering ring underneath.

Poly-Rope

Calf/Colt \$9.95		Cow/Horse \$15.95	
black	203 476	black	203 480
blue	203 477	blue	203 481
green	203 478	green	203 482
red	203 479	red	203 483

All hand-made from heavy-duty polypropylene rope. These halters have no metal parts to cause injury, and will stand up to the worst farm conditions.

Calf: One piece 9mm rope with 2.1m lead.
Cow: One piece 12mm rope with 2.4m lead.
NB: White halter (as pictured) is not available!

Hackamore (White only)

calf 203 430 \$54.95
yearling 203 432 \$54.95
cow 203 431 \$54.95

These halters are in the traditional Hackamore style, 10mm white cotton rope with cast metal buckles and steel chain loops. Fully adjustable quality halters from USA. Available white only.

Show Stick

chrome 205 715 \$54.95
alum telesc 205 714 \$55.95

The chrome show stick is of the traditional kind, lightweight, easy to hold, with glass-filled nylon hook. Length 1.4m o.a. The aluminium telescopic model has three lockable lengths: 96cm, 112cm and 127cm. This stick closes to a handy 74cm for convenient carriage and storage. Also with glass-filled nylon hook.
