

Feed Tub Recycled Rubber

Litre	Handles	Dia	Depth	Code	Price
34	2	44cm	26cm	211 995	\$29.95
37	4	49cm	31cm	211 993	\$34.95
80	4	57cm	42cm	211 994	\$59.95

Big strong indestructible rubber tubs with big strong rubber handles. All one piece. These will withstand any knocking around or beating up by man or animal. Great as a feed trough, or for any of hundreds of uses around the farm. Made completely from recycled rubber.

NB: Delivery freight will be charged at cost on tubs.

Feed Tub Recycled Rubber

Litre	Handles	Dia	Depth	Code	Price
15	2	42cm	14cm	212 190	\$24.95
20	2	49cm	17cm	212 191	\$26.95

Bucket Recycled Rubber

Litre	Dia	Depth	Code	Price
10	28cm	22cm	212 187	\$16.95
14	30cm	27cm	212 188	\$19.95

Feed Pan Recycled Rubber

Litre	Length	Width	Depth	Code	Price
12	40cm	26cm	13cm	212 189	\$22.95
40	62cm	42cm	20cm	212 192	\$39.95

Feed Tub Recycled Rubber Rail Mount

Litre	Length	Width	Depth	Code	Price
16	38cm	23cm	24cm	212 800	\$35.95

This tub incorporates a full length rail hook to ensure adequate strength. Width 42cm o.a.

PRICE REDUCED

Feed Tub Cart (tub not incl.)

211 918 ~~\$199.00~~ only \$179.00

This two-wheeled cart is ideal for use with our rubber or Duraflex tubs. Suitable for loads up to 150kg. A special feature of the cart is its drop-down loading. This lowers the frame to ground level so a heavy tub can be pulled into it without heavy lifting. The parking stand flips under, out of the way when using the cart. Then the whole unit folds down push-chair style, for storage.

Feed Trough Rail Hang

10-litre 211 412 \$82.50
30-litre 211 413 \$99.95

Feed troughs suitable for calves and other animals. Metal brackets for hanging on most fence rails or gate boards. All-rounded inside for ease of cleaning. 10-litre through is 33cm L x 38cm W x 20cm D. 30-litre trough is 85cm L x 47cm W x 20cm D.

Water Bowl Little Slurp

10-litres 211 411 \$109.00

Small trough for supplying water to animals in many situations. Ideal for water in calf sheds and pens. Metal brackets for rail hanging. All plastic Jobe float valve under cover is easily serviced. Dimensions: 33cm L x 38cm W x 20cm D.

Feed Trough with Legs

60-litres 211 415 \$199.00

All-plastic feed troughs are light, strong and very stable. Can be used in pen, shed or paddock. Ideal for feeding meal to calves, sheep or any animals. Easy to move. Dimensions: 125cm L x 39cm W x 40cm H (including legs).

FEED SCOOP....

Scoops here are listed with nominal-volume in litres (L).

Back Handle 2.5L

202 842 ~~\$12.95~~ only \$10.95

Simple plastic scoop. Square corners allow accurate pouring. Keep out of direct sunlight to extend life.

PRICE REDUCED

Stand-up 2L

209 566 ~~\$16.95~~ \$13.95

Here is a feed scoop design that really works. The hard-corner flat rim scoops cleanly off bottom of bins or containers. Water-level to 2 litres, and will stand like a jug when full.

Plastic Long Handle 2L

208 008 \$12.95

Traditional long-handle style scoop is easier to use in deep containers, and keeps hands cleaner. All plastic.

PRICE REDUCED

Aluminium Round Bottom

1 litre 211 181 ~~\$18.95~~ \$14.95
1.6 litre 211 182 ~~\$26.95~~ \$19.95
2.4 litre 211 183 ~~\$29.95~~ \$26.95

Polished aluminium scoops. Round bottom is generally easier to penetrate feeds and grains.

Aluminium Flat Bottom

1.5L 208 821 \$44.95
3L 208 822 \$59.95

For some purposes metal feed scoops are better to use than plastic. Also the long-handle style is easier to use in deep containers, and keeps hands cleaner. Traditional cast-alloy manufacture. Flat bottom is of benefit for cleaning bottom of feed containers.
