

## Feed Bucket Rail Hanging 11 litre

202 837 \$42.95

The 11 litre rail bucket has been designed especially as a 'show feeder'. The rail hooks are very slim to fit between the vertical bars of show stalls. The buckets also stack very neatly for storage or transport. Hooks are 60mm deep. A carry handle is incorporated. Dimensions: 29cm x 29cm x 24cm deep o.a. Bowl drain plug available.

## Feed Bucket Rail Hanging 13 litre

202 838 \$49.95

This rail-hanging bucket incorporates rail hooks of a reinforced shape which will take the sort of pushing around a horse or cow is likely to give it. The 57mm (2 1/4") hook space is big enough to go over our standard 50mm (2") rough-sawn timber rails. The back of the bucket incorporates a carry handle. Dimensions: 30cm x 30cm x 26cm deep o.a. Bowl drain plug available.

## Feed Bucket Rail Hanging 30 Litre

210 069 \$79.95

This big sturdy bucket incorporates 4 reinforced rail hooks to cope with rails up to 60mm thick. Bucket incorporates a carry handle, and stacks for storage. Dimensions 43cm x 34cm x 31cm deep.

## Stable Bowl 7 litre

205 832 \$32.95

Very strong bowl suitable for water or other feed or liquid. Wall mount. Dimensions: 25cm x 25cm x 16cm deep o.a. Bowl drain plug available.

## Feed Bucket Wall Mount 20 litre

bucket only 202 840 \$79.95  
 bracket only 202 839 ~~\$12.95~~ only \$9.95

Our wall mounting bucket is a big heavy plastic bucket. The back side is flat and incorporates a strong clip area which locates onto the special wall bracket. The bucket has volume graduations marked inside, and also has a good strong steel handle which will not come off. The mount bracket has two 10mm holes in the back for bolting to a wall, post or rail. To attach, the bucket is simply dropped downwards onto the bracket, where it is held securely. To detach, just lift the front of the bucket and it will release. A very tidy set-up. Put extra brackets where you might need them.

## Stable Water Fountain

complete 205 848 \$129.00

Fresh water always for your horses with this nose-operated water bowl. Big plastic bowl with galvanised steel mounting reinforcement. Brass water fountain with 15mm (1/2") water connection. Easy-touch water operation your horse will learn in minutes. Bowl is 24cm x 28cm wide x 9cm deep.

## Feed Tub Polyethylene

Litre	Dia	Depth	Weight	Code	Price
14	33cm	24cm	0.4kg	213 739	\$11.95
30	41cm	32cm	0.8kg	213 740	\$18.95
45	45cm	35cm	1.2kg	213 741	\$26.95

Polyethylene feed tubs are lightweight and completely flexible. They can be rolled over and squashed without any problem. Very lightweight to carry, with sturdy handles. Nest into light stacks for minimum storage space. Can be used for almost any feeding or carrying task. These are higher quality tubs than those found at some importers' stores.
