

KNIFE SHOOF....

CARBON STEEL

Our Shoof-brand knives feature high quality carbon steel blades for best edge-keeping ability. But please note: blades of this type are susceptible to rust. Be sure to wash and dry properly after every use. If your knife becomes rusted it can be restored using wet & dry sandpaper.

Bloat

10cm (4") 204 099 \$27.95
sheath 204 100 \$15.95
Every dairy farmer needs a decent bloat knife. This one is made for the job. Just make sure it always hangs on the same handy nail, to grab in that emergency. This knife features a stainless steel blade. Sheath is heavy duty leather, available separately.

Knife Sheath (Excl knife or steel)

boning standard (1) 204 104 \$25.95
skinning standard (2) 204 156 \$33.95
boning quality (3) 211 168 \$28.95
skinning quality (4) 211 167 \$45.95

Boning sheaths are suitable for straight knives such as boning, Y-cut and fillet types. Skinning sheaths are suitable for curved skinning knives. All are made from heavy duty tanned leather, stitched and riveted. The quality sheaths are Taurus brand, with the skinning sheath featuring a dome-down cover. All versions have a steel pocket. Sheath lengths are: (1) 22cm, (2) 24cm, (3) 20cm, (4) 30cm.

PDA Diary Pouch Leather

211 189 \$32.95

A portable PDA is becoming a regular item for many farmers. Our leather pouch solves the problem of how to pocket it. Double-dome cover. Very good durable protection for PDAs up to 14cm long x 11cm wide x 3cm thick.

Fast-Lock Pulley System

complete 211 899 \$299.00

The Fast-lock is a very handy tool, whether used as a calf puller (see *Calving & Rearing*) or as a handy lifting device for home kills. There will be many uses around home and farm for this versatile unit. Three pulley blocks give quadruple pulling and lifting power. There is also a simple lever-operated lock and release mechanism to prevent it going backwards when you don't want it to. The Fast-Lock pulley system uses 7.2m of 10mm diameter polyrope. Recommended for lifting up to 200kg. Hooks are removable.

Home Kill Meat

gambrel 203 560 \$19.95
S-hook 203 561 \$14.95

Stainless steel hardware for home-kill use. Ideal accessories for the Fast-lock pulley system for home-kill. Gambrel is 30cm wide from 10mm rod, and S-hook is 15cm o.a. from 6.5mm rod.

Leather Punch Revolving

204 269 \$22.95

Standard leather punch tool with six punches, for holes 2.3mm to 4.5mm diameter.
